14.00-14.20 The Nurse Specialist contribution in health care provision towards 2030: The minimal required steps - Walter Sermeus

14.20-14.40 Break

Parallel Sessions (participants will preselect the topic of their choice base on first, second and third preference)

Theme 1: Pushing the European political agenda: friends and foes

** When gaining a formal position in the European health agenda, we need to overcome our own modest attitude and show leadership by making choices and accept the hurdles and seek alliances by setting out long term strategies: Identify hurdles and how to take*

14.40-15.30

Moderator: Tamsin Rose

Lead: Micelle Gunn, Vince Saliba, Elisabeth Rosser

Theme 2: Autonomy and dependency - two sides of the same coin

** For gaining recognition of the specialist nurse, nothing can be achieved when working in an isolated position, because this would be in contradiction to any program in health where collaboration is required, however: development cannot be reached without distinguishment in expertise.*

14.40-15.30

Moderator: Corinna Scicluna

Lead: Charlotte MacArdle – Walter Sermeus
